Patients with an ADA-related complaint will receive a complaint confirmation/tracking reference number, usually within the same day but no later than ten (10) business days from the day Terros Health receives the complaint. If the patient does not receive a response within the ten (10) day timeframe, they may call the ADA Coordinator (Patient Advocate) at 602-389-3734 to obtain the confirmation/tracking reference number.

Responsible Terros Health operating divisions or administrative departments investigate all complaints and implement any corrective actions to be taken. Complaints involving ADA or accessibility elements receive an additional review by Vice President of Compliance & Internal Audit after the investigation has been completed. After the ADA Compliance oversight review has been completed, Customer Relations will provide a written reply to the customer, to the contact address provided within ninety (90) days of receiving the complaint. All complaints are investigated within a few weeks, but some may require more extensive investigation, or require more time to identify corrective measures. In any case, a written reply will be provided to the customer within ninety (90) days.

Whether our customers are submitting complaints about service problems or sharing a great experience, we welcome the opportunity to be of service.
